DETAILED ACTION

Allowable Subject Matter

1. Claims 1-38 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant' discloses a method to perform speech recognition, comprising receiving a set of signals representing speech, receiving a request for speech recognition over a wireless voice channel in a wireless network wherein receiving said request comprises receiving a subrogation indicator, creating a set of speech features from said signals, and when said subrogation indicator is detected replacing said set of signals representing speech with said speech features, and communicating said speech features over said wireless voice channel in said wireless network at a lower bandwidth used to send said set of signals representing said speech. The cited prior art alone or in combination fairly disclose or teach the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
